All parties shall file all designations of rebuttal experts and serve on all parties the material required by Federal Rule of Civil Procedure 26(a)(2)(B) for such rebuttal experts, to the extent not already served, 15 days from the receipt of the report of the opposing expert.
4. An objection to the reliability of an expert's proposed testimony under Federal Rule of Evidence 702 shall be made by motion, specifically stating the basis for the objection and identifying the objectionable testimony, within 11 days from the receipt of the written report of the expert's proposed testimony, or within 11 days from the completion of the expert's deposition, if a deposition is taken, whichever is later.

Any replies shall be filed and served on all other parties not later than 7 days after the service of the response and shall be limited to 10 pages, but the Court need not wait for the reply before ruling on the motion.
7. The Court will set this case for final pretrial conference at a later time. The final pretrial conference shall be attended by at least one of the attorneys who will conduct the trial for each of the parties and by any unrepresented parties. By filing an agreed motion, the parties may request that this Court extend any deadline set in this Order, with the exception of the dispositive motions deadline and the trial date.
